Helplines & Maternity Services, continued

Parent Help 123:

Free website/hotline that helps parents and families apply for food and health resources such as Special Supplemental Nutrition Program for Women, Infants, and Children (WIC), food stamps and banks, birth control, health insurance, pregnancy and baby supplies, and other basic needs. Bilingual staff (Spanish) and interpreters are available. Visit parenthelp123.org.

Help Me Grow Washington Hotline: 1.800.322.2588

Provides information and referrals for public assistance, maternity support services, maternity case management, prenatal care, family planning and pediatric care.

2-1-1 is a Washington State program with an easy-to-remember phone number to call for health and human service information. Provides community resources, referrals and other assistance. Dial 2-1-1 from any land line or cell phone.

King County Public Health: 1.206.263.9300

King County Public Health offers Maternity Support Services and Infant Case Management (MSS/ICM).

Maternity Support Services (MSS) helps Apple Health eligible women have healthy pregnancies. Working with the MSS care team, you will receive health education and counseling during your pregnancy and until your baby turns two months old. Call to receive referrals to Ob/Gyn care, WIC, health insurance and other community resources.

Nurse-Family Partnership (NFP): 1.206.477.6262

NFP is a nurse home visiting program for first-time mothers and their families. The program helps Apple Health eligible mothers (26 weeks or less gestational age pregnant) from pregnancy until their child reaches their second birthday.

The Parent-Child Assistance Program (PCAP): 1.206.739.5466

Provides advocacy and intensive case management for three years helping pregnant and parenting mothers with substance use disorders build and maintain healthy, independent and alcohol/drug-free lives.
