Dear Patient,

Dr. Joseph Chebli is not board certified in pain management. He allows his patients **one narcotic script** per surgery in which the patient is to follow the instructions given. Patients who may need more than one script will be required to follow up with their primary care or pain management physician.

Sincerely,

Joseph E. Chebli M.D.

By signing below, I attest that I understand and will comply with Dr. Joseph Chebli's narcotic policy.
