

# Directions for Your Surgery Visit

## Outpatient Surgery:

Outpatient Surgery (OPS) is located in Building 4 (purple). You can reach OPS through the connecting hallway at the north end of Building 3, near where Building 3 meets Garage 3.

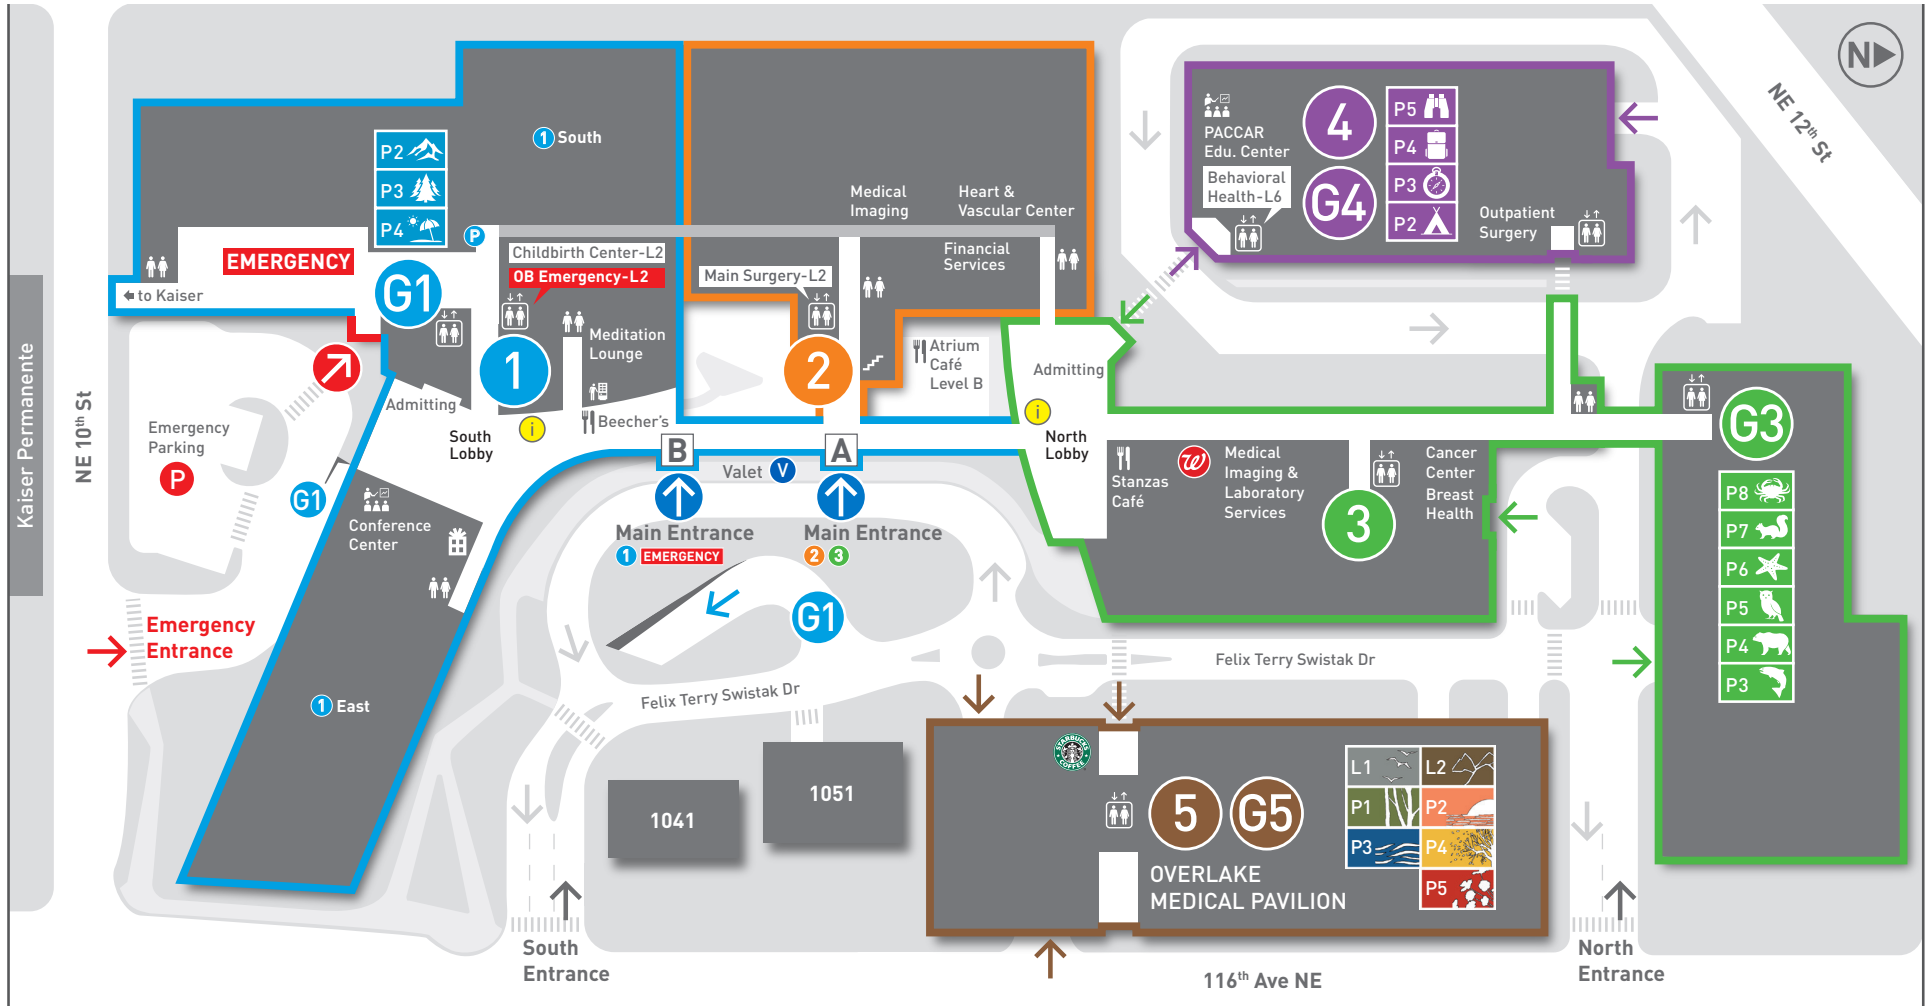

## Main Surgery:

Main Surgery is located in Building 2 on second floor. You will take an elevator to this floor.

## Where to Park:

Please park in Garage 3 (North Garage). You will take the elevator marked "Hospital" to the first floor.

*Valet is available at the main entrance of the hospital. You may also drop off outside building 4.*
