

WE CAN HELP YOU

Overlake Medical Center & Clinics is partnered with Elevate Patient Financial Solutions® to assist patients without health coverage.

This is a **free** service and will include helping you:

- Understand if you may qualify for programs to assist with your medical bills.
- Apply for assistance if a qualifying program is identified.
- Communicate with the county/state agencies through which you apply.
- Gather necessary paperwork.
- Follow submitted applications until a determination is made or other resolution is achieved.

IMPORTANT INFORMATION WE WILL NEED

- Proof of identity
- Proof of income
- Other documentation as requested by the programs for which you apply

As part of this service, you may receive phone calls or mail from ElevatePFS®.

Overlake Medical Center & Clinics will only share initial contact information with ElevatePFS®, at which point ElevatePFS® will work with you to obtain needed information. We will not share your medical record information.

**We are here to help! Please contact us at
866-402-3630 or 425-336-2865.**

Remember that keeping us informed will help process your case faster; and in return, we will keep you updated on our progress.

Please be sure to let us know about any paperwork you receive from a county/state program.

About ElevatePFS®

ElevatePFS® was founded to assist patients and their families with expediting the application process for the various state and local eligibility programs available to help pay for medical bills.

Our team of dedicated advocates and authorized representatives has in-depth knowledge and expertise working with these programs and is committed to helping you receive the assistance you deserve.
