

WHAT DO PULSE MEMBERS DO?

COMMIT to investing \$1,000 annually.

CHOOSE what your investment funds. Each year, top doctors pitch their ideas to Pulse for innovative, high-needs projects. You and your peers vote on which one to support.

EXPERIENCE exclusive networking events that inform, inspire, and empower. You'll go behind-the-scenes, where clinical leaders will update you on the latest technologies and healthcare trends.

WHY OVERLAKE?

Overlake is the Eastside's premier hospital. For nearly 60 years, we have remained independent, nonprofit, and non-tax-funded. From leading clinical trials in the fight against cancer to providing care to every patient in need, without regard for ability to pay, Overlake continues to be a pillar of the community and a critical Eastside institution.

When you choose to join Pulse, you choose to make a difference.

WHY CHOOSE PULSE?

LEAD the way by supporting a clinical initiative funded by Pulse members. Your investment is pooled to make a direct, meaningful difference.

DELIVER critical results. Each year, you will hear from the selected clinical leader about what they accomplished as a direct result of your investment.

ACCESS exclusive opportunities to meet hospital and clinical leadership and hear the "inside scoop" on what's on the forefront of healthcare.

CONNECT with a group of passionate business and community leaders dedicated to supporting world-class healthcare on the Eastside.
